NOTICE ON RULES AND FUNDS AVAILABILITY

An applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly **disbursed** Funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each funding request in your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by USAC.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by USAC to each Block 5 of your Form 471. This number is used to report to applicants and service providers the status of individual funding requests submitted.

FUNDING STATUS: Each FRN will have one of the following statuses:

1. "Funded" - the FRN is approved for support. The funding level will generally be the level requested unless USAC determined during the application review process that some adjustment is appropriate.
2. "Not Funded" - the FRN is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for the Funding Year was insufficient to fund all requests.
3. "As Yet Unfunded" - a temporary status assigned to an FRN when USAC is uncertain at the time the letter is sent about whether sufficient funds exist to make commitments for requests for Internal Connections Other than Basic Maintenance or Basic Maintenance of Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and with an "As Yet Unfunded" status on your Internal Connections requests. You would receive one or more subsequent letters regarding the funding decisions on your Internal Connections requests.

CATEGORY OF SERVICE: The type of service ordered from the service provider, as shown on your Form 471.

FORM 470 APPLICATION NUMBER: The Form 470 Application Number associated with this FRN from Block 5, Item 12 of the Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by USAC to service providers seeking payment from the Universal Service Fund Programs. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider, if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes, if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The Service Start Date for this FRN from Block 5, Item 19 of your Form 471.

CONTRACT EXPIRATION DATE: The Contract Expiration Date for this FRN from Block 5, Item 20b of your Form 471, if a contract expiration date was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a for "site specific" FRNs only.

NUMBER OF MONTHS RECURRING SERVICE PROVIDED IN FUNDING YEAR: The number of months of service that has been approved for the funding year, for recurring services.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service approved for the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 231, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY USAC: The discount rate that USAC approved for this service.

FUNDING COMMITMENT DECISION: The total amount of funding that USAC has reserved to reimburse your service provider for the approved discounts for this service for this funding year. It is important that both you and your service provider recognize that USAC should be invoiced and that disbursement of funds will be made only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry provides an explanation of the amount in the "Funding Commitment Decision."

FCDL DATE: The date of this Funding Commitment Decision Letter (FCDL).

WAVE NUMBER: The wave number assigned to FCDLs issued on this date.

LAST ALLOWABLE DATE FOR DELIVERY AND INSTALLATION FOR NON-RECURRING SERVICES: The last date approved by the FCC for deliver and installation of eligible non-recurring services (e.g., equipment). (The last allowable date for delivery and installation of recurring services is always the last day of the fund year, that is, June 30, 2007 for Funding Year 2006.)

RE: Appeal Letter
Form 471 Application Number: 514867
Funding Year 2006 07/01/2006-06/30/2007
Funding Request Numbers (FRN): 1420848, 1426265,
1426417, 1426470, 1438310, 1438546, 1440816, 1440973,
1441109
Billed Entity Number: 197819

We are appealing the Funding ~~Commitment~~ Decision ~~Letter~~ dated May 23, 2006 in which the above listed Funding Request(s) have been approved; modified by the Schools and Libraries Division ("SLD"). The site specific discount was reduced to a level that could be validated based on third party data.

WE are at a loss as to understand why the above funding requests on the schools Form 471 were reduced. In an effort to have some funds restored to the school we would like to clarify the following

Lakewood Charter School does indeed meet the criteria necessary to be eligible for the 90% discount level it applied for. On March 31, 2006, we responded to a review from John Muhammad of PIA to validate our requested discount percentage of 90%. Since our school does not participate in the NSLP, we supplied documentation based on the survey method used to calculate our discount level. Please see attached documentation provided during PIA review.

Included in our response was all the information to determine that the school is in fact eligible for the discount level applied for being that it met all the necessary criteria using this method

1-The survey was sent to all 3021 students families.

2-The survey attained over a 50% response rate.

3-The survey contained the address, size of family and income level.

Please note that the school has a separate master listing noting the breakdown of the names and grade levels of students attending the school per family.

4-The survey assured confidentiality.

Since the number of families/students eligible for the NSLP was 75% of the returned surveys, the school is eligible to receive a 90% discount on the funding requests applied for on this application.

We therefore appeal that the funds requested for the above listed FRN's be approved as submitted, as the school is eligible for the 90% discount.

For more information or discuss this appeal I can be reached at
732-370-2597.

We ask the administrator of USAC, SLD to overturn this decision and
restore full funding to **CW** school.

We look forward to your most favorable response.

Respectfully submitted by,
